BBQ and Burgers Smokehouse on 10/4/22

Once again SIR Branch 93's Monthly Quest for the Best Burger in Sacramento led them on 10/4/22 to BBQ & Burgers Smokehouse at 2114 Sutterville Road (across from Sacramento City College). The total rating for all 7 categories (which includes burger, sides, service, ambiance, parking, value, and overall ratings) was 3.8. The parking is very limited and thus lowered their total rating but in contrast the burger and service categories were both rated very high. It was a yummy fun time!!
