Big SIR Comments
November 2018

So far I've heard nothing from State SIRs regarding any action they may have taken in response to the Future of SIRs Task Force recommendations I discussed in my Comments last month. If any announcements are forthcoming in the next two weeks, I'll present them during our upcoming luncheon meeting.

Gentlemen. We are spending money we can't afford to meet our contractual obligation with Elks #6. As you know, we signed a contract with the Elks Lodge to provide luncheon and meeting room services. Our obligation under the terms of the contract is to provide a minimum of 90 luncheon participants at every meeting. If we do not make the minimum we must pay the difference - at \$25 per person! For the last two months, we have been under the minimum. The total we have had to pay for non-attendance is close to \$500, a staggering amount! Obviously we can't afford to keep this up. Lack of attendance in these numbers will either wipe out our meager reserves. Or, may require additional monetary assessments, possible fines for lack of attendance, or even the eventual loss of an excellent meeting venue (Elks #6).

Branch 93 currently has an active membership of 139 SIRs. At our October meeting we had 80 paid attendees, 23 excused absences, and 36 unexcused absences. The unexcused absences are the members who failed to call our Attendance officers (Vince Damyanovich and Mike Combs) to report their absences. Vince and Mike are listed under "Attendance" at the top of page 3, in our current Membership Roster. Please call if you cannot make a meeting. This is critical to our Branch planning.

But, most importantly, please attend our luncheon meetings. Those members who were absent last month not only missed fellowship with their buddies; they also missed the best speaker we have had this year! Remember, SIRs is built around our luncheon meetings. Everything else, including golf, bowling and our other activities are secondary.

I'll see you all at our November 19, 2018 meeting!

Little SIR Musings by Craig Chalmers for November 2018

Happy Turkey Day...and dahhh...these hikers remind you to do it right!

November's SIR93 Hike was on the 8th through the 3.5-mile Davis Arboretum Loop Trail. It was a fun day and the reward was lunch at Redrum Burger.

November's speaker is Jana Lean, State Election Division Chief for the California Secretary of State. So come and hear about recent political elections and feel free to ask some questions about those elections. And did you know that Jana is SIR93 Mike Morles's daughter.

Remember to signup for the Christmas Luncheon at the November 19th Luncheon or by December 10th Deadline. Please use the Christmas Luncheon Signup form below...

Greetings Fellow SIR93,

Attached is the 2018 SIR93 Christmas Luncheon Signup Sheet for your use and distribution!!

Yes, this is late but not too late...the Elks Club was not able to respond to our September request for quotation, until October 22.

But your help is needed to get the word out and invite your SIR93 friends, spouses, partners, guests and start forming your tables and collecting payments. This information needs to be distributed and made available to all via the phone, internet, website, email, mentioned at all our events like golf, bowling, hiking, pinochle, etc.

Signup Sheets w/payments collection will occur at the November 19th Luncheon or by mailing them to Craig Chalmers. Deadline for collection is December 10th.

Important: As with all Elks Luncheons, we have the 90 minimum requirement imposed on this luncheon too. This minimum has not been achieved at luncheons for the past 3 months and the Club has lost \$650. So it is important that we reach the 90 minimum at all luncheons to prevent this type of tragic loss of our financial resources.

Cost this year is \$33 per person (only \$4 more dollars that last years \$29 per person cost)

Note that this year there is more fun included in the price...wine, special raffle, and holiday music by Jack...what more could you ask for?!!!!

See attached Signup Sheet (word and pdf formats) for more information!!

Good Luck to SIR93 and Happy Holidays to all!!

Sincerely Craig Chalmers and Jack Reefer
