July 2024 Edition

Hello Sirs,

The Summer solstice as it is referred to marks the longest day of the year. As of June 20th summer has officially arrived. July is bringing us extreme heat in the Sacramento valley and for one I am not a huge fan. I grew up in San Diego and moved to Sacramento in 1979. Most my adult life I have enjoyed working outside. The heat is not kind to us as we age. I would really enjoy working outside in my wood shop or playing golf. With all these 100-degree days I find myself spending more time indoors. Stay safe, know your limits and enjoy your summer.

I would like to thank Niko Dugay from the Sacramento River Cats for attending our last luncheon. Next year, the Oakland A's will be sharing the stadium with the River Cats. Yes, Major League Baseball is coming to Sacramento.

Many Thanks to Craig Chalmers and Jack Reefer for organizing social events. Our latest event at the Freeport Grill had nine members and one spouse in attendance. I really encourage more of you to come out and socialize.

For those of you that are still reading this I close with a simple prayer. Lord just grant me the senility to forget

The Hole-in-One Pot has achieved a high amount of money in the pot. The Golf Committee has approved a proposal to have a \$100 annual payment to the golfer who has achieved the closest to the pin measurement for the whole golf year. The remainder of the Hole-in-One Pot is still there for the next hole-in-one golfer and will take precedence over this annual payment. All payments will be made only to the golfers who have paid in their annual \$2.00 dues. It is projected that this will start in the 2025 Golf Season.
